

MICHAEL SIKKEMA

No Negotiations

no edge no light
on toy pirates no

angry nuns in
the Himalayas

no toggle switch
no idiot light

no marsupial lion
no wet light on faces

no The Ramones
no David Marksen

no cageless zoo
no wage freeze

no jockeying for dominance
no Russian stove fairies

no pretty okay speaking light
no egg

no next continental shift
no cautionary tale

no orange light over houses
no parallel accidents

no prophets painting over
lenses no apology
